WHERE SAMADHAN STANDS

45 years of work. Almost invisible online.

3 others

organisations come up for “samadhan ngo”. Ours does not.

404

on /donate. No way for an Indian donor to give online.

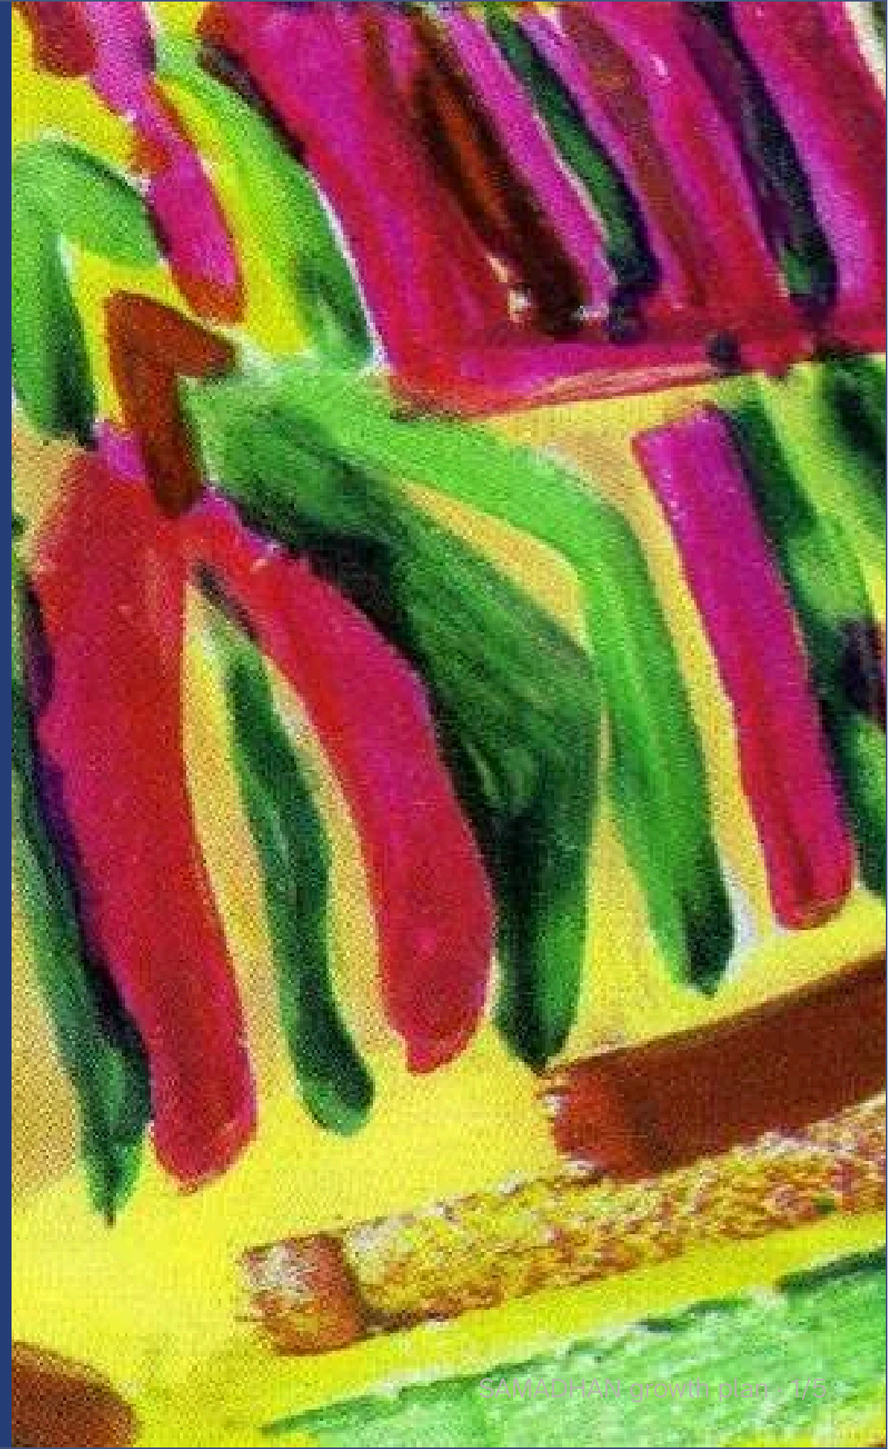

9

dead or empty pages in the main menu.

3 of 108

images have alt text. The footer still says “Mentally Handicapped”.

The upside: it already appears first for “intellectual disability NGO Delhi”.
